

KBA-NotaSys Integrity Fund

Short presentation and overview of funding projects

Sandra Middel

Member of the Management Board

Who we are

KBA-NotaSys Integrity Fund:

Is a Not-For-Profit Organization established by Koenig & Bauer Banknote Solutions to promote

- ethical conduct
- transparency and compliance

We award sponsorships to research or non-profit projects that relate to the promotion of ethics and compliance in business.

Research institutes, associations, state institutions and other non-profit institutions are eligible to submit a project application.

Actual projects we support

- ✓ 2021/21 Research for the content and delivery of a Corporate Investigators accredited qualification
- ✓ 2020/20 Internal Integrity Risk Warning System
- ✓ 2020/19 Evidence based ABC Compliance
- ✓ 2020/18 The Ethics Institute Handbook Series
- ✓ 2020/17 Adjustment of the BnEI Audit Guidance to integrate missing aspects of the ISO 37001 standard
- ✓ 2019/16 Prevention and management of corruption in international corporations

Our selection criteria

Key criteria are:

whether the project applications demonstrate a contribution towards the purpose of the Integrity Fund

whether the projects deal with compliance-related topics

whether the people entrusted with the project have the necessary technical and methodological skills

and transferability into a business environment

Funding decisions are taken by the independent Board composed of three members:

Prof Christoph Lengwiler, President of the Management Board

Christian Gehling, partner of SZA Schilling, Zutt & Anschütz Rechtsanwalt AG, Frankfurt

Sandra Middel, Head of Group Compliance at Clariant International Ltd, Switzerland, Board Member Ethics & Compliance Switzerland, Co-Chair Compliance Working Group at Swissholdings- the Swiss Industry Association

How to apply

- Project applications can be submitted in german or english to the following email address: **christoph.lengwiler@integrityfund.ch**
- Depending on the type of project, the project applications must contain at least the following information:
- Title of the project - Brief description of the project (max. 500 characters, for website)
- Applicant institution (including address details of the responsible project leader)
- Project manager, start date and duration, short description of the project etc.
- Amount of the requested financial contribution
